

Meet New Song Christian Academy's Kindergarten teacher!

Hope Manley

My professional training and experience has given me the tools necessary to create an enriching learning environment and provide active learning opportunities for kindergarten students to internalize learning. I completed my undergraduate studies at the University of Nevada, Las Vegas with a Bachelor's degree in Early Childhood Education. I then continued my studies at UNLV and earned my Master's degree in Education, with an emphasis in Special Education. I have worked in the field of early childhood education for 10 years. I have a supportive husband and two fantastic boys. We moved to the Anthem area of Henderson 11 years ago and we absolutely love this community!
